To Whom It May Concern

We are appealing the SLD decision to deny funding for FRNs 1699008425 of 471 application 161006184. And FRNS 1699008426, 1699008427, 1699008428 and 1699008429 of 471 application 161006185.

In the Funding Commitment Decision Letter dated 05/20/2017 it states:

**DR1:On 7/26/2016 your application was denied based on your noncompliance with the FCC's Red Light Rule which implements requirements of the FCC's Debt Collection Improvement Act of 1996 (FCC No. 04-72 (April 13, 2004)).**

Please note that the school filed an FCC appeal for 471 application 880642 for 2103. The appeal is still pending approval therefore the schools believes not to be under the red light rule at this given time. The above mentioned application was denied initially on 08/06/2016, the school filed an appeal with USAC which was denied on 05/20/2017. Since the original FCC appeal for application 880642 is still under review, the school believes not to be under the Red light rule.

Thanks for the opportunity to appeal this decision.
